

If you have qualifying scores for the course(s) you want to take in your senior year:

- You will only need to submit **Step 5 Forms** (the Dual Credit Checklist/Alamo Colleges Dual Credit Consent Form) and the **Test Score Form**.
- You will NOT have to retest OR reapply!!
- Start turning them in NOW, so you don't forget!!

If you do not currently have the qualifying scores for a certain class, you will have to take a section of the TSI to re-qualify or use SAT/ACT scores.

****If you only took College Algebra this year or you dropped your only dual credit class, you will need to completely start over again as a NEW STUDENT****

Any questions, please contact your Johnson Counselor
