Step 3: Complete Go FAARR

- Alamo Colleges require <u>all</u> new students to complete the **Go FAARR** module (approx. 45 minutes) and the PAA (Pre-Assessment Activity)
- Students may access the GoFAARR and the PAA on the student's ACES account.
- Each student must complete all required modules as part of the Dual Credit process.
- Students who do <u>not</u> receive ✓marks on the GoFAARR and the PAA will not be eligible to take Dual Credit Courses.
- <u>**You must PRINT this ✓screen as proof of completing the GoFAARR and the PAA prior to TSI testing.**</u>

Your DC process is <u style="color:red">NOT</u> complete yet. Please visit your campus's Counseling Office to obtain a copy of the Academic Dual Credit Handbook or the Career and Technical Dual Credit Handbook, or both, if applicable. Then complete Steps 4-6.
